Rich- see what you think of these. know you said Ft Berthold was done but Kate submitted so ? maybe more going on??? Checking with Mike on whether there really is a Bakken 2 planned? and then our std ones. Lisa said CO Nutrients probably not worthy. anything else you can think of? Jim will then need to decide

Jim- So far, the nominations for priority R8 Comm Strats to submit to Jim O'Hara are:

Bakken 2	(Checking if there will be one)
Ft Berthold FIP	(Is this not already done?)
Libby IG report	( Out 1/31. HQ already working )
Pavillion	(HQ is already quite involved, as you know)

He would like our submission of 2-3 by next Friday, 1/25.
